

Name:

This version of the CWS asks about symptoms experienced over the last 24 hours, and can be administered by an interviewer OR by self report. The following statements describe how you have felt over the last 24 hours. Please circle the number that most closely represents your personal experiences for each statement. For each statement, please rate its negative impact on normal daily activities on the same scale (0=Not at all to 10=Extremely), writing the number in the right hand column.
